

Bowman Wind Announces Community Grant Recipient

Bowman, ND (March 30, 2020) – Bowman Wind and Apex Clean Energy are excited to announce a contribution of \$1,500 to the Lighten Your Load Medical Travel Fund as part of their Community Grant Program. The Lighten Your Load Medical Travel Fund was formed to assist people in Bowman and the surrounding area with travel and lodging costs associated with seeking medical care. In these challenging times, helping folks in Bowman County be able to receive care is more important than ever.

One of Bowman Wind's primary goals is to be a strong community partner and to establish long-term relationships with local residents. Our community grant program is one way that we can contribute to pressing community needs, help to enrich lives, and make a meaningful impact at a local level.

With these grant funds, Bowman Wind supports community development, education, health & recreation, and environmental stewardship. Bowman Wind considers contributions on a quarterly basis and there is no deadline to apply for a contribution. If you are interested in applying for funding, or know an organization who could benefit, please visit www.bowmanwind.com/grant.
