Listed in order of year brought online:

<p>Sacred Heart Monastery Total rated capacity: 0.25 MW Year online: 1997 Owner: Richardton Abbey</p>	<p>Ashtabula I Total rated capacity: 160.4 MW Year online: 2008 Owner: NextEra Energy Resources PPA: Minnkota Power Cooperative</p>	<p>Wilton II Total rated capacity: 49.5 MW Year online: 2009 Owner: NextEra Energy Resources PPA: Basin Electric Power Cooperative</p>	<p>Thunder Spirit Total rated capacity: 107.5 MW Year online: 2015 Owner: Montana-Dakota Utilities</p>	<p>Emmons-Logan Total rated capacity: 216.4 MW Year online: 2019 Owner: NextEra Energy Resources PPA: Great River Energy</p>
<p>Valley City Wind Turbine Total rated capacity: 0.9 MW Year online: 2001 Owner: Minnkota Power Cooperative</p>	<p>Ashtabula Wind (OTP) Total rated capacity: 48 MW Year online: 2008 Owner: Otter Tail Power Cooperative</p>	<p>Ashtabula III Total rated capacity: 62.4 MW Year online: 2010 Owner: NextEra Energy Resources PPA: Otter Tail Power Co.</p>	<p>Brady Wind I Total rated capacity: 149.7 MW Year online: 2016 Owner: NextEra Energy Partners PPA: Basin Electric Power Cooperative</p>	<p>Foxtail Wind Total rated capacity: 163.6 MW Year online: 2019 Owner: Northern States Power Company PPA: Northern States Power Company-Minnesota</p>
<p>Petersburg Wind Turbine Total rated capacity: 0.9 MW Year online: 2002 Owner: Minnkota Power Cooperative</p>	<p>Langdon II Total rated capacity: 43.7 MW Year online: 2008 Owner: NextEra Energy Resources LLC PPA: Minnkota Power Cooperative</p>	<p>Baldwin Total rated capacity: 102.4 MW Year online: 2010 Owner: NextEra Energy Resources PPA: Basin Electric Power Cooperative</p>	<p>Brady Wind II Total rated capacity: 149.03 MW Year online: 2016 Owner: NextEra Energy Partners PPA: Basin Electric Power Cooperative</p>	<p>Emmons-Logan Total rated capacity: 216.44 MW Year online: 2019 Owner: NextEra Energy Resources PPA: Great River Energy</p>
<p>Prairie Winds Minot Wind 1 Total rated capacity: 2.6 MW Year online: 2002 Owner: Basin Electric Power Cooperative</p>	<p>Langdon (OTP) Total rated capacity: 40.5 MW Year online: 2008 Owner: Otter Tail Power Company</p>	<p>Bison Wind 1A Total rated capacity: 36.8 MW Year online: 2010 Owner: Minnesota Power</p>	<p>Courtenay Total rated capacity: 200 MW Year online: 2016 Owner: Xcel Energy PPA: Northern States Power Co. - MN</p>	<p>Northern Divide (Burke) Total rated capacity: 193.24 MW Year online: 2020 Owner: NextEra Energy Resources PPA: Basin Electric Power Cooperative</p>
<p>North Dakota Wind I Total rated capacity: 40.5 MW Year online: 2003 Owner: NextEra Energy Resources PPA: Basin Electric Power Cooperative</p>	<p>Tatanka Total rated capacity: 180 MW Year online: 2008 Owner: Acciona Energy; GE Energy Financial Services; Atlanta Renewables SARL PPA: Macquarie Capital</p>	<p>Cedar Hills Total rated capacity: 19.5 MW Year online: 2010 Owner: Montana-Dakota Utilities</p>	<p>Sunflower Total rated capacity: 104 MW Year online: 2016 Owner: Novatus Energy PPA: Basin Electric Power Cooperative</p>	<p>Merricourt Total rated capacity: 150 MW Year online: 2020 Owner: Otter Tail Power Company</p>
<p>North Dakota Wind II Total rated capacity: 21 MW Year online: 2003 Owner: NextEra Energy Resources PPA: Otter Tail Power Co.</p>	<p>Turtle Mountain College Total rated capacity: 0.66 MW Year online: 2008</p>	<p>Bison Wind 1B Total rated capacity: 45 MW Year online: 2011-2012 Owner: Minnesota Power</p>	<p>Lindah Total rated capacity: 150 MW Year online: 2017 Owner: Enel Green Power North America Inc. PPA: Basin Electric Cooperative</p>	<p>Aurora Wind Total rated capacity: 298.8 MW Year online: 2021 Owner: Enel Green Power North America Inc. PPA: Basin Electric Power Cooperative I Gap Inc.</p>
<p>Wilton I Total rated capacity: 49.5 MW Year online: 2005-2006 Owner: NextEra Energy Resources PPA: Basin Electric Power Cooperative</p>	<p>Ashtabula II Total rated capacity: 120 MW Year online: 2009 Owner: NextEra Energy Partners PPA: Minnkota Power Cooperative; Great River Energy</p>	<p>Bison Wind 2 Total rated capacity: 105 MW Year online: 2012 Owner: Minnesota Power</p>	<p>Oliver III Total rated capacity: 99.25 MW Year online: 2017 Owner: NextEra Energy Resources PPA: Minnkota Power Cooperative</p>	
<p>Velva Total rated capacity: 11.8 MW Year online: 2006 Owner: Acciona Energy USA Global LLC PPA: Northern States Power Company - Minnesota</p>	<p>Luverne (OTP) Total rated capacity: 49.5 MW Year online: 2009 Owner: Otter Tail Power Co.</p>	<p>Bison Wind 3 Total rated capacity: 105 MW Year online: 2012 Owner: Minnesota Power</p>	<p>Thunder Spirit II Total rated capacity: 48 MW Year online: 2018 Owner: Montana-Dakota Utilities</p>	
<p>Oliver I Total rated capacity: 50.6 MW Year online: 2006 Owner: NextEra Energy Resources PPA: Minnesota Power</p>	<p>Prairie Winds Minot Wind 2 Total rated capacity: 4.5 MW Year online: 2009 Owner: Basin Electric Power Cooperative</p>	<p>Pembina Border Station Total rated capacity: 1 MW Year online: 2012 Owner: U.S. Customs and Border Protection</p>	<p>New Frontier Total rated capacity: 100.05 MW Year online: 2018 Owner: Capital Power Corporation PPA: MISO</p>	
<p>Oliver II Total rated capacity: 48 MW Year online: 2007 Owner: NextEra Energy Resources PPA: Minnesota Power</p>	<p>Prairie Winds ND1 Total rated capacity: 115.5 MW Year online: 2009 Owner: Basin Electric Power Cooperative</p>	<p>Lake Region State College Wind Turbine Total rated capacity: 1.6 MW Year online: 2013</p>	<p>Foxtail Wind Total rated capacity: 150 MW Year online: 2019 Owner: Xcel Energy PPA: Northern States Power Co. - MN</p>	
<p>Langdon I Total rated capacity: 126.4 MW Year online: 2007 Owner: NextEra Energy Resources PPA: Minnkota Power Cooperative; Otter Tail Power Co.</p>	<p>Rugby Total rated capacity: 149.1 MW Year online: 2009 Owner: Avangrid Renewables PPA: Avangrid Renewables; Central Minnesota Municipal Power Agency; Missouri River Energy Services; Upper Midwest Municipal Power Agency</p>	<p>Bison Wind 4 Total rated capacity: 204.8 MW Year online: 2014 Owner: Minnesota Power</p>	<p>Glen Ullin Energy Center (Clean Energy 1) Total rated capacity: 106.7 MW Year online: 2019 Owner: Allete Clean Energy PPA: Northern States Power Co. - MN</p>	

WIND is a coalition of industry members and supporters who believe North Dakota should harness its abundance of wind for the continued benefit of its communities and residents. Find out more: windindustrynd.com

Members: Clean Grid Alliance, Apex Clean Energy, EDF Renewables, Enel North America, Invenergy, NextEra Energy Resources, and Orsted.
